

Dear Corporate Sponsor:

The Mirror Lake Middle School Band and Orchestra Booster Club members are requesting your support. We are a non profit organization dedicated to providing enriching opportunities to student musicians. In past years this program has helped send students to music festivals all over the United States with several awards being brought back to our community.

In addition to competition and receiving awards, the students share their gift of music with the public for the benefit of all. These experiences teach our youth the benefit of hard work and the importance of supporting and being supported by one's community.

This year we intend to organize a trip of 100 students to Boston, Massachusetts to participate in the Heritage Music Festival. This history rich environment will open the student's eyes not only to musical adventures but also the history of our Nation.

As you can imagine a trip of this magnitude requires a large committee of volunteers, countless hours of preparation and the financial support of businesses within our community. Students and parents are expected to participate and contribute to their ability and scholarships may be requested if enough funds are available.

We invite you to support the children of our community in music and the fine arts by donating to our program. Attached you will find a form containing all of the details.

Sincerely,

Mirror Lake Middle School – MLMS Band and Orchestra Booster Club
