

Policy 460.5 CANCELLATION FOR SAFETY REASONS

Whenever the Superintendent or designee determines that dangerous conditions may affect the health, safety, or welfare of those traveling, the Superintendent or designee may withdraw approval for the trip. In making such decisions, the Superintendent or designee will consider any known travel advisories or restrictions issued by the Department of Homeland Security and the U.S. State Department. The district assumes no liability to anyone for reimbursement of costs or expenses incurred by any trip for which the Superintendent or designee withdraws approval.

I have read and understand the trip cancellations policy described above.
